BachFestival Rostock 2019

The Hanseatic and university city Rostock will be festival town. From May 10 until May 15, 2019 the 94th Bach Festival of the New Bach Society Rostock (NBG) will take place in Rostock. More than 50 concerts and events for various demands will become highlights of the Bach Festival. Johann Sebastian Bach's central works will be performed in diverse interpretations. Contemporary music, dance, and theatre as well as academics will come alive as connections but also as **counterpoints** to Bach's music. The Bach Festival Rostock 2019 represents the artistic diversity of Rostock and Mecklenburg West-Pomerania. The grand orchestras and channies, the freelance artists, the musical schools of the region and renowned performers relate their programmes to the lively Bach tradition and furthermore set counterpoints to the baroque composer in various locations.
